

SeniorCare Complete (HMO SNP) & AbilityCare (HMO SNP) 2020 Provider and Pharmacy Directory

Introduction

This *Provider and Pharmacy Directory* includes information about the provider and pharmacy types in SeniorCare Complete (HMO SNP) and AbilityCare (HMO SNP) and listings of all the plan's providers and pharmacies as of the date of this Directory. The listings contain provider and pharmacy address and contact information as well as other details, as applicable, such as days and hours of operation, specialties, and skills. Key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook / Evidence of Coverage*.

All providers in this directory accept both Medicaid and Medicare, unless otherwise noted.

Enrolling in this health plan does not guarantee you can see a particular provider on this list. If you want to make sure, call that provider to ask if he or she is still part of this health plan. Also ask if he or she is accepting new patients. This health plan may not cover all your health care costs. Read your contract or *Member Handbook / Evidence of Coverage* carefully to find out what is covered.

 - o are age 65 and over,

There are no added costs for you to join this program. While a member, you will get your Medical Assistance and Medicare Parts A, B, and D through the plan.

 - o are age 18 through 64*,
 - o have Medical Assistance, and

*People in SNBC who turn 65 will be enrolled into a senior managed care program if they continue to meet the eligibility criteria to enroll in managed care.

This program integrates Medical Assistance and Medicare Parts A, B, and D.

- **Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, prescription drugs, equipment and other services.

If you have questions, please call SeniorCare Complete / AbilityCare Member Services at 1-866-567-7242, TTY users call 1-800-627-3529 or 711. Hours of Operation: October – March, 7 days a week, 8 a.m. - 8 p.m.; April – September, Mon. – Fri., 8 a.m. - 8 p.m. The call is free. **For more information**, visit www.mnscha.org.

B2. How to choose a Primary Care Clinic/PCC

You can get services from any provider who is in our network and accepting new members.

When you become a member of our plan, you will choose a Primary Care Clinic/PCC who is part of our plan network. This provider will be your Primary Care Clinic/PCC.

If you did not choose a Primary Care Clinic/PCC or would like to make a change to your Primary Care Clinic/PCC, go to the list of providers in Section C, that starts on page 1, and choose a clinic:

- that you use now, **or**
- who has been recommended by someone you trust, **or**
- whose offices are easy for you to get to.
- If you want help in choosing a PCC, please call Member Services at the number at the bottom of this page.
- If you have questions about whether we will pay for any medical service or care that you want or need, call Member Services and ask before you get the service or care.

B3. How to get long-term services and supports (LTSS) (for SeniorCare Complete members only)

You may be able to get long-term services and supports (LTSS), such as services provided by the Elderly Waiver (EW) program as a SeniorCare Complete member. LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital. Talk with your care coordinator about accessing these services.

You must have a Long-Term Care Consultation (LTCC) done and be found to be eligible to get additional services or support. You can ask to have this assessment in your home, apartment, or facility where you live.

Your care coordinator will meet with you and your family to talk about your care needs if you call to ask for a visit.

Your care coordinator will give you information about community services, help you find services to stay in your home or community, and help you find services to move out of a nursing home or other facility.

If you need transition planning and coordination services to help you move to the community, you may be eligible to get Moving Home Minnesota (MHM) services. MHM services are separate from EW services, but you must be eligible for EW.

To find out more about these services, see your *Member Handbook / Evidence of Coverage*. Call Member Services at the number at the bottom of this page to get more information on how to access these services.

SeniorCare Complete uses the DHS Open Network for some long-term services and supports. For a list of Elderly Waiver services and providers available for Direct Delivery Services and Purchased Items services, go to the Minnesota Help Info website at www.minnesotahelp.info/public/.

B4. How to access SeniorCare Complete's / AbilityCare's network providers

You must get all of your covered services from providers within our network. If you go to providers who are not in SeniorCare Complete's / AbilityCare's network (**without prior authorization or approval from us**), **you will have to pay the bill.**

A **prior authorization** is an approval from SeniorCare Complete / AbilityCare before you can get a specific service, drug, or see an out-of-network provider. SeniorCare Complete / AbilityCare may not cover the service or drug if you don't get approval.

Continued on the next page

The exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can also go outside the plan for other non-emergency services if SeniorCare Complete / AbilityCare gives you permission first.

- You may change providers within the network at any time during the year. If you have been going to one network provider, you do not have to keep going to that same provider.
- SeniorCare Complete / AbilityCare works with all the providers in our network to accommodate the needs of people with disabilities. If you need to see a provider and are not sure if they offer the accommodations you need, SeniorCare Complete / AbilityCare can help you. Talk to your care coordinator for assistance.

B5. How to find SeniorCare Complete / AbilityCare providers in your area

The sections in this directory are organized alphabetically by state, then by county, city, and facility name. If you have questions about SeniorCare Complete / AbilityCare or require assistance in selecting a primary care clinic, please call Member Services at the number at the bottom of this page. How to access out-of-network providers

If you need a covered service that you cannot get from a plan network provider, you must get a service authorization from us to see a non-network provider. Exceptions to this rule are Open Access Services and Emergency and post-stabilization care. (*Open access services are: family planning, diagnosis of infertility, testing and treatment of sexually transmitted diseases, and testing for AIDS or HIV-related conditions.*)

If you visit a non-network provider and receive a bill that has not been sent to us, you should send it to us for processing and determination of liability. Call Member Services at the number at the bottom of this page if you have questions.

How to access specialty providers

D. Background Information about SeniorCare Complete's / AbilityCare's Network Pharmacies

This part of the Directory provides a list of pharmacies in SeniorCare Complete's / AbilityCare's network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as a member of the plan.

We also list pharmacies that are in our network but are outside our service area. You may also fill your prescriptions at these pharmacies. Please contact SeniorCare Complete / AbilityCare at the number at the bottom of this page.

- SeniorCare Complete / AbilityCare members must use network pharmacies to get prescription drugs.
 - You must use network pharmacies except in emergency or urgent care situations.
 - If you go to an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out-of-pocket for the service. Read the SeniorCare Complete *Member Handbook* or AbilityCare *Evidence of Coverage* for more information.
- Some network pharmacies may not be listed in this Directory.
 - Some network pharmacies may have been added or removed from our plan after this Directory was published.

We have pharmacies outside Minnesota. Please contact Member Services at the number at the bottom of this page for more information.

For up-to-date information about SeniorCare Complete and AbilityCare network pharmacies in your area, please visit our website at www.mnscha.org or call Member Services at the number at the bottom of this page.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the *Member Handbook / Evidence of Coverage* and SeniorCare Complete's / AbilityCare's *List of Covered Drugs* (Drug List). You can check SeniorCare Complete's / AbilityCare's up-to-date List of Covered Drugs online at www.mnscha.org.

D1. Types of pharmacies in SeniorCare Complete's / AbilityCare's network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) pharmacies
- Chain pharmacies (retail pharmacies under the same name with multiple locations)

You are not required to continue going to the same pharmacy to fill your prescriptions.

You can go to any of the pharmacies in our network.

D2. Long-term supplies of prescriptions

- **Extended-Day Retail Pharmacy Programs.** Some retail pharmacies may also offer up to a 90-day supply of *some* covered prescription drugs. A 90-day supply has the same copay as a one-month supply.

E. SeniorCare Complete's / AbilityCare's List of Network Pharmacies

This part of the Directory includes a list of SeniorCare Complete's / AbilityCare's network pharmacies that **participate in and accept** SeniorCare Complete / AbilityCare. Network pharmacies are listed by state, county, and city to help you find a network provider nearest to your home.

You can go to any of the pharmacies in our network.
